## Important Delivery Notes (S.Y.B.COM)

	①
	Audit Planning
Q1	What is Audit Planning? What are the objects of Audit Planning?
	According to Standard of Auditing - 300 issued by the Institute of Chartered Accountants of India, Audit Planning involves developing an overall plan for the expected scope & conduct of the audit & developing an audit programme showing the nature, timing & extent of audit procedures.
	An auditor must plan his audit work & while planning audit, he should consider following factors:
	(1) Complexity of audit & (2) The environment in which the entity operates
	(3) Previous experience with the client & (4) Knowledge of client's business
	An auditor should obtain preliminary knowledge of client's business to assess risks & identify problems & perform audit effectively. Knowledge of client's business can be obtained from:
	- Annual reports of client
	- Minutes of meetings of shareholders & directors
	- Last year's working papers, budgets
	- Client's policy & procedures manual
	- Discussion with the client about changes in accounting policies, internal control system etc.
	- Trade journals, magazines, newspapers, text books & publications
	- Visit to client's premises
	Following are the objectives of audit planning
