The college library serves as a portal to information and offers a fundamental basis for lifelong learning, independent judgment and the cultural development of both students and faculties. The college library provides facilities and services to the faculty members and students of B.Com and BAF programmes. The library is situated on the third floor of the college building and is easily accessible from all corners of the college premises. The carpet area of the library is about 1154 sq. meter with capacity to accommodate 50 students and 10 faculty members.

### Library Management System:

The library is automated using Bjpclms software. LMS functions through different modules such as cataloguing module, circulation module etc. library search engine facilitates library search through the terminals available in the library. Annual maintenance control takes care of routine changes required in the software.

E- Resources: College library has subscribed to N List for e books and e resources. The N-LIST provides access to e-resources to students and faculty from colleges. The authorized users from the college can access e-resources.

Collection: The college library has vast collection of physical as well as e resources to suit the requirements of its members. Physical collection includes text books, reference books and books for general reading. In addition to this, library has magazines, CD's and newspapers etc. Library subscribes to N List for e books, e resources.

Library Expenditure: On an average library has spent ₹ 1.37 lakhs during last five years. Details of amount spent from 2019- 2023 for books, journals & other purchases, is provided in the audited statement of expenses and income by the C.A. We were unable to procure many resources during pandemic period i.e. entire academic year of 2020-21, and first half of the academic year 2021-22

Per Day Usage of Library by Students and Faculty

Percentage per day usage of Library by teachers and students during the last completed academic year  
(2022-23)

Number of teachers and students using library per day over last one year

Response

Method of computing per day usages of library: Library register

Formula:

Total no. of teachers & students in each day for all working days / total no. of working days

$4782/208 = 22.99 = 23$  users per day
