

Admission Fees Details and Payment Mode information

As per the RBI guidelines, in order to practice social distancing and also to follow lockdown norms it's an appeal to the parents to make use of online payment modes like NEFT/IMPS, GooglePay, Paytm and other mobile banking apps to facilitate the payment of fees. However students who are facing problems using online payment modes can resort to offline payment modes.

Students opting for online mode of payment can choose between full-payment of fees now or can pay in two instalments. However there is no such option for students who are proceeding with offline mode of payment (Pay Order) in other words they will have to pay full fees for their respective academic year.

Online Payment Instructions

Step 1: Kindly use any online bank transfer application for payment of the fees i.e. Paytm, GooglePay, Mobile Banking App, UPI App, Net Banking etc.

Step 2: After the payment of your prescribed amount record the transaction id/reference id/UTR no. correctly.

Step 3: Only after successful payment of fees and obtaining transaction id, kindly log in to the below mentioned link and fill the details.

Step 4: Once the payment of the fees is verified by the college authorities you will receive acknowledgement email from the office.

Offline Payment Instructions

Students opting for offline payment mode, kindly note that there is no part payment option available due to technical reasons hence they will have to pay full fees.

Payment of the fees through offline mode is only by Pay Order/Demand Draft.

Pay Order/Demand Draft should be made in the favour of **“THE BYRAMJEE JEEJEEBHOY COLLEGE OF COMMERCE”**

Students can contact Mr Vijay Ruke for obtaining offline payment challan from the college office during weekdays from 12:00 PM to 2:00 PM, Mobile No. 8082127096.
